---

**I'd love to learn more about you! These four questions can be answered with as few or as many words as you'd like.**

- ♥ Tell me the best example of leadership you saw displayed in your collegiate chapter (you being a witness, not the leader).
- ♥ What's your recruitment story? (See Sunday's at <http://suresister.com/tales.html>. Yours can be short. )

- ♥ How can you see SureSister growing in the next few years? If you were placed in charge of the initiative we call SureSister.com, what changes would you make? What vision would you pursue? Why?
- ♥ What would you ideally like to get out of this Ambassadorship? How can SureSister.com help you? How can Sunday Tollefson help you? How can the other Ambassadors help you?

Please provide the names and contact information for two individuals who can talk about your leadership skills and commitment to your sorority or sorority/fraternity community. You know, typically known as references, but not necessarily your “boss.”

If you have any questions, send an email to petals at suresister dot com and we’ll help you right away.

Please know that we already think you are a **rock star**  
and we can’t wait to read your application!
